

The 20th Annual SPE Permian Basin Golf Tournament

Oil and Gas Professional:

Once again it is time for the Society of Petroleum Engineers Annual Permian Basin Golf Tournament. The Golf Tournament is scheduled to take place on Friday, September 10th 2010, at the Hogan Park Golf Course in Midland. Last year's tournament was a huge success. We had 500 players (sold out) representing 175 different companies participate, making it one of the premier golf events in the Basin. This tournament has historically been one of the primary sources of funds for the Permian Basin SPE Scholarship Fund. This year we awarded a total of \$64,000 in scholarships to 32 college students from our immediate area seeking to enter into the petroleum industry. This was only possible due the terrific support of last year's sponsors.

Attached you will find a list of possible sponsorship levels. Please look over the different options available and feel free to call if you have any questions.

In addition to the varying sponsorship levels, we are soliciting Ditty Bags and Door Prizes items. Our goal is to have 500 participants so please take that into account when considering ditty bag items. If you are interested in donating any items or services, please give me a call.

This is one of the top tournaments each year in the Permian Basin and we truly hope that you and your company choose to be part of it with the Permian Basin Section of the SPE.

THANKS IN ADVANCE FOR YOUR SUPPORT
